headwear styles

This is your guide to our headwear styles. We group our headwear product line into style categories that are based on the general construction, profile and shape of each model.

5 PANEL

The 5 panel is made with a flat front panel making it the perfect construction for models with a printed front panel. The seamless front panel also makes it one of the easiest cap styles to decorate.

6 PANEL

The Classic 6 panel baseball cap is as authentic as the game itself. Available in a wide range of profiles and fit, this traditional cap style is the go-to look for players, fans, and outdoor enthusiasts.

embellishments

This is your guide to the embellishments we offer. Each embellishment offers unique features and the same “Quality in Every Stitch” guarantee that you expect from all products.

Embroidery

The 5 panel is made with a flat front panel making it the perfect construction for models with a printed front panel. The seamless front panel also makes it one of the easiest cap styles to decorate.

DTF patch

The Classic 6 panel baseball cap is as authentic as the game itself. Available in a wide range of profiles and fit, this traditional cap style is the go-to look for players, fans, and outdoor enthusiasts.

CAP PROFILES AND FUNCTIONS

STRUCTURED

A structured cap typically refers to a type of headwear that has a well-defined and rigid form.

UNSTRUCTURED

An unstructured cap is a type of headwear that lacks the rigid internal support and defined shaping found in structured caps.

CURVED PEAK

A curved peak cap, often referred to as a baseball cap, a classic and widely popular style of headwear known for its rounded bill.

FLAT PEAK

A flat peak cap is a type of headwear known for its straight and flat bill. Crafted for chic urban appeal.
